

REMARKS/ARGUMENTS

Consideration of the subject application, as amended, is respectfully requested.

Status of the Claims

As a result of this preliminary amendment, Claims 1-16 and 18-20 are pending in the subject application.

Amendments to the Specification

The amendment to the specification reflect the change in the title of the application.

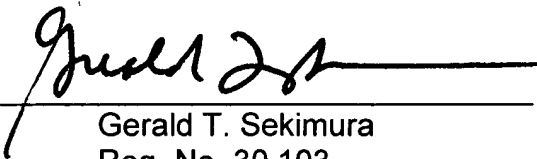

Conclusion

It is respectfully submitted that the claims now pending in the subject application are allowable, and the Examiner's indication to that end is respectfully solicited.

Respectfully Submitted,

DLA Piper US LLP
